A.B. No. 1292—Patterson.

An act relating to energy utilities services.

**2018**

Apr. 30—Enrolled and presented to the Governor at 3:30 p.m.

May 14—Vetoed by Governor.

May 15—Consideration of Governor's veto pending. **Legislature has 60 calendar days, not including periods of joint recess, to consider Governor's veto (J.R. 58.5).** Shall this bill become a law notwithstanding the objections of the Governor?

To the Members of the California State Assembly:

I am returning Assembly Bill 1292 without my signature.

While the issue this bill seeks to address is important, the bill is premature. The California Public Utilities Commission has existing authority to exclude customers with onsite generation when it computes the average residential consumption of electricity. The Commission will determine whether or not to exclude customers with onsite generation through the General Rate Case process, weighing the impact among all rate payers. I believe the Commission will act to ensure that energy costs to ratepayers are fair and equitable.

Sincerely,

Edmund G. Brown Jr.

A.B. No. 1337—Patterson et al.

May 15—Consideration of Governor's veto pending. Consideration of Governor's veto pending. **Legislature has 60 calendar days, not including periods of joint recess, to consider Governor's veto (J.R. 58.5).** Shall this bill become a law notwithstanding the objections of the Governor?

To the Members of the California State Assembly:

I am returning Assembly Bill 1337 without my signature.

This bill requires the Fish and Game Commission to provide a live video broadcast of its public meetings, including meetings of the Marine Resource Committee, the Wildlife Resources Committee and the Tribal Committee.

Public meetings of the full Commission, where official actions are taken, are already live broadcast. I believe broadcasts of committee level meetings should be reserved only for those times when there is extraordinary interest by the public. This is a matter which properly resides within the sound discretion of the Commission.

Sincerely,

Edmund G. Brown Jr.
