2023–24 Second Extraordinary Session
Pursuant to the Proclamation by the Governor of California
August 31, 2024

To consider and act upon legislation necessary to:

- a. Authorize the California Energy Commission to adopt regulations that would require California refiners of transportation fuels to demonstrate resupply plans and arrangements that are adequate to address losses in production from refinery maintenance before planned maintenance may be scheduled and permitted, while also accounting for protecting the health and safety of refinery employees and the public.
- b. Authorize the California Energy Commission to impose minimum inventory requirements on refiners to keep transportation fuel supply stable.
- c. Make other necessary changes to reaffirm and strengthen the authority of the California Energy Commission and the Division of Petroleum Market Oversight to implement the provisions of SBx1-2, including by modifying the advisory committee that informs those agencies' action.
- d. Make conforming changes to existing law consistent with paragraphs (a), (b), and (c).
