The Senate amendments instead permit, commencing January 1, 2026, a PERS member who elects to receive a specified optional settlement at retirement to elect to add their new spouse as the beneficiary of the member's interest, subject to certain conditions. The Senate amendments permit a PERS member meeting certain conditions to elect to convert to a multiple life contingency option to add their new spouse, as specified, for purposes of the manner of payment of their retirement allowance. The Senate amendments permit this election only once, and preclude elections in derogation of the former spouse's interests.

AB 1918 as amended in Senate June 13, 2024

(Pursuant to Joint Rule 26.5)

AB 1918, as it passed the Assembly, added provisions to the Health and Safety Code exempting a building that is constructed in the service territory of a public utility district, as specified, and that receives all of its electricity pursuant to a preference right adopted and authorized by the United States Congress, if that electricity is carbon free, from the building standards adopted by the Energy Commission that require new residential and commercial buildings to be solar ready or to have photovoltaic and battery storage systems installed.

The Senate amendments move these provisions to the Public Resources Code and make related technical and conforming changes.

AB 1991, as it passed the Assembly, required certain boards that regulate healing arts licensees or registrants to collect prescribed workforce data at the time of electronic license or registration renewal as a condition for license or registration renewal and prohibited those boards from denying an application for license or registration solely because the licensee or registrant failed to provide any of the prescribed workforce data.

The Senate amendments delete the contents of the bill as it passed the Assembly and instead require a healing arts board, defined to mean any board, division, or examining committee in the Department of Consumer Affairs that licenses or certifies health professionals, to require a licensee or registrant who electronically renews their license or registration to provide their individual National Provider Identifier, if they have one. The Senate amendments prohibit a violation of this requirement from constituting a crime.

AB 2234 as amended in Senate June 13, 2024  
 (Pursuant to Joint Rule 26.5)

AB 2234, as it passed the Assembly, until January 1, 2029, authorized a local authority within the County of San Diego, or the County of San Diego in unincorporated areas, to adopt an ordinance or resolution that would prohibit a person under 12 years of age from operating a class 1 or 2 electric bicycle. AB 2234, as it passed the Assembly, made a violation of an ordinance or resolution that is adopted for this purpose an infraction punishable by either a fine of \$25 or completion of an electric bicycle safety and training course. AB 2234, as it passed the Assembly, required a local authority or county to only issue warning notices for the first 60 days after the passage of the ordinance or resolution.

The Senate amendments instead make a violation of the ordinance or resolution punishable by a \$25 fine 60 days after the prohibition goes into effect. The Senate amendments prohibit a record of the action from being transmitted to the court, and a fee from being imposed upon a citation for this infraction, if the parent or legal guardian of the person who violated the prohibition delivers proof to the issuing agency within 120 days after the citation was issued that the person has completed an electric bicycle safety and training program. AB 796, commencing January 1, 2028, prohibited a person from practicing as an athletic trainer or using certain titles or terms without being registered by the committee, as described. AB 796 established the Athletic Trainers fund for the deposit of registration and renewal fees and made those fees available to the committee upon appropriation by the Legislature, as specified.

AB 1902, as it passed the Assembly, amended the Pharmacy Law to expressly require the dispenser of a prescription drug to provide translated directions for use in languages the California State Board of Pharmacy has made available. AB 1902, as it passed the Assembly, except as specified, required a dispenser, if a person informs a pharmacy that the person identifies as a person who is blind, has low-vision, or is otherwise print disabled, to provide to the person, at no additional cost, an accessible prescription label affixed to the container that meets prescribed requirements. AB 1902, as it passed the Assembly, specified that a dispenser does not include a veterinarian for either of these purposes.

The Senate amendments require an accessible prescription label to be provided, as described above, to the person or their authorized representative. The Senate amendments additionally require, if the accessible prescription label does not fit on the container, that the dispenser, upon dispensing the prescription drug, provide the patient or their authorized representative with a prescribed supplemental document. The Senate amendments exclude prescriptions issued by a veterinarian from the application of the bill's requirements for translated directions and accessible prescription labels. AB 2062 as amended in Senate July 3, 2024

(Pursuant to Joint Rule 26.5)

AB 2062, as it passed the Assembly, made a credit union jointly and severally liable with an officer, director, or employee of the credit union who violated certain laws prohibiting, among other things, the purchase of the credit union's assets or obligations for less than the market value or book value, respectively, as specified.

The Senate amendments remove those provisions making the credit union jointly and severally liable.

AB 2062, as it passed the Assembly, authorized a regular or special meeting of a credit union's members to be conducted by means of remote communication, as specified, if the credit union implements reasonable measures, as specified.

The Senate amendments instead authorize those meetings to be conducted by means of remote communication as set forth in specified law.

AB 3234, as it passed the Assembly, required an employer to post a clear and conspicuous link to a report on the internet website for their business detailing the findings of its most recent social compliance audit, including prescribed information, if the employer has voluntarily subjected that business to the audit. AB 3234, as it passed the Assembly, among other things, defined “social compliance audit” for purposes of that requirement to mean an inspection of any production house, factory, farm, or packaging facility of a business to verify whether it complies with social and ethical responsibilities, health and safety regulations, and labor laws, including those regarding child labor.

The Senate amendments, instead, require an employer who has voluntarily subjected itself to a social compliance audit, whether the audit is conducted in part, or in whole, to determine if child labor is involved in the employer’s operations or practices, to post a clear and conspicuous link on its internet website to a report detailing the findings of its compliance with child labor laws. The Senate amendments revise the definition of “social compliance audit” to mean a voluntary, nongovernmental inspection or assessment of an employer’s operations or practices to evaluate whether the operations or practices are in compliance with state and federal labor law, as specified. The Senate amendments require the above-described report to include a statement that the auditing company is not a government agency and is not authorized to verify compliance with state and federal labor laws or other health and safety regulations.

A.B. No. 2570—Joe Patterson.  
An act relating to housing.

**2024**

- Jul. 1—Enrolled and presented to the Governor at 4 p.m.  
 Jul. 15—Vetoed by Governor.  
 Aug. 5—Consideration of Governor's veto pending. **Legislature has 60 calendar days, not including periods of joint recess, to consider Governor's veto (J.R. 58.5).** Shall this bill become a law notwithstanding the objections of the Governor?

To the Members of the California State Assembly:

I am returning Assembly Bill 2570 without my signature. This bill would require the Department of Housing and Community Development to conduct an annual evaluation of the Homeless Housing, Assistance and Prevention program (HHAP) and include that information in the Department's annual report.

I support increasing transparency and accountability for cities and counties' use of state funding to address homelessness. Earlier this year, I directed California's Housing Accountability Unit to increase its oversight and enforcement of existing housing laws to address homelessness. Additionally, the recently adopted 2024 Budget includes statutory language that requires more frequent reporting by HHAP grantees on their expenditures, corrective action plans for grantees not meeting specified performance measures, and maintenance of compliant Housing Elements prior to receiving additional HHAP funding.

This bill is redundant to these efforts and creates an unnecessary ongoing workload for the Department without providing additional accountability or transparency to taxpayers.

For these reasons, I cannot sign this bill.

Sincerely,

Gavin Newsom

A.B. No. 2708—Jim Patterson.

An act relating to communications.

2024

Jul. 1—Enrolled and presented to the Governor at 4 p.m.

Jul. 15—Vetoed by Governor.

Aug. 5—Consideration of Governor's veto pending. **Legislature has 60 calendar days, not including periods of joint recess, to consider Governor's veto (J.R. 58.5).** Shall this bill become a law notwithstanding the objections of the Governor?

To the Members of the California State Assembly:

I am returning Assembly Bill 2708 without my signature.

This bill requires the California Department of Technology (CDT) to annually report new specified information about the cost and estimated completion date of the Middle Mile Broadband Initiative (MMBI).

My Administration values its continued partnership with the Legislature to develop the largest open-access and publicly-owned broadband middle-mile network in the country. Investments in future-proof infrastructure, such as the MMBI, will further enable high-speed broadband service access to all Californians. The recently adopted 2024–25 Budget augmented funding for the MMBI and codified new and additional oversight and reporting requirements on CDT for the development and operation of the MMBI. This bill is redundant to these efforts and creates an unnecessary ongoing workload for CDT without providing additional accountability or transparency to taxpayers.

For this reason, I cannot sign this bill.

Sincerely,

Gavin Newsom

A.B. No. 1272—Wood.

An act relating to water.

**2024**

Jul. 18—Enrolled and presented to the Governor at 12:30 p.m.

Jul. 18—Vetoed by Governor.

Aug. 5—Consideration of Governor's veto pending. **Legislature has 60 calendar days, not including periods of joint recess, to consider Governor's veto (J.R. 58.5).** Shall this bill become a law notwithstanding the objections of the Governor?

To the Members of the California State Assembly:

I am returning Assembly Bill 1272 without my signature.

The bill would require the State Water Resources Control Board, in consultation with the Department of Fish and Wildlife, to adopt principles and guidelines for diversion and use of water in certain coastal watersheds during times of water shortage for drought preparedness and climate resiliency.

While I support efforts to protect coastal watersheds from the extreme dry conditions exacerbated by climate change, this bill creates significant, ongoing costs in the millions of dollars that should be considered in the annual budget process.

In partnership with the Legislature, we enacted a budget that closes a \$46.8 billion deficit in 2024–25 and a projected deficit of \$27.3 billion in 2025–26 through balanced solutions that avoided deep program cuts to vital services and protected investments in education, health care, climate, public safety, housing, and social service programs that millions of Californians rely on. It is important to remain disciplined when considering bills with significant fiscal implications that are not included in the budget, such as this measure.

For this reason, I cannot sign this bill.

Sincerely,

Gavin Newsom
